

Safety Data Sheet

1. Identification

Common Name/Trade Name: SuprategTM Material Uses: Natural product for keeping Fish and Fish eggs healthy.	Product Number: NN.V1M8 - Suprateg-P TM
Supplier: RPS Biologiques Inc 101, Belvedere Avenue, Charlottetown, PEI C1A 6B3, Canada	In Case of Emergency: _____ Monday – Friday (8.30 -5): +9023147239, info@rpsbiologiques.com

2. Hazard(s) Identification		
Classification	This material is not classified as hazardous under Canadian WHMIS regulations (Hazardous Products Regulations) (WHMIS 2015).	
Labeling	Symbol:	None required
	Signal word:	None required
Hazard Statement:		None required
Precautionary Statements:		Keep out of reach of children
Other Hazard Information		
Physical/Chemical Hazards:		No additional hazards
Health Hazards:		No additional hazards
Environmental Hazards:		No additional hazards
3. Composition and Information on Ingredients		

The components are not hazardous

4. First aid measures

General Advice

Show this safety data sheet to the Doctor in attendance

Eye Contact	Rinse thoroughly with plenty of water, also under eyelids. If systems persist, call a physician.
Skin Contact	Wash with water.
Inhalation	Remove to fresh air

Ingestion	Rinse mouth immediately with water.
-----------	-------------------------------------

5. Fire Fighting Measures	
General Information:	This material is not considered flammable or combustible.
Suitable Extinguishing Media:	Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.
Unsuitable Extinguishing Media:	None known.
Specific Hazards in Case of Fire:	Not known

Protective equipment and precautions for firefighters:
No special measures required

Explosive Data
Not explosive

6. Accidental Release Measures	
Personal precautions, protective equipment and emergency procedures.	

Personal Precautions
Avoid contact with skin and eyes.

Environmental Precautions	May be washed into drains with water
Methods and materials for containment and cleaning up	Isolate and contain spill. Use appropriate absorbent material to pick up material and place into a suitable container for disposal. Wash down area of spill with water.

7. Handling and Storage	
Precautions for safe handling	Wash thoroughly after handling. Avoid prolonged contact with skin and eyes.
Conditions for safe storage, including incompatibilities	Keep container tightly closed. Store in original container protected from direct sunlight in a dry, cool and well ventilated area.
8. Exposure Controls/Personal Protection	

Exposure Guidelines
This product, as supplied, does not contain any hazardous materials with occupational exposure limits established by the region-specific regulatory bodies.

Individual protection measures, such as personal protection equipment

Eye/Face Protection
Not required for consumer use. If splashes are likely to occur, wear safety glasses with side-

shields.

Skin and Body Protection

None required for consumer use. Repeated or prolonged contact: Wear protective gloves and protective clothing.

Respiratory Protection

No protective equipment is needed but if ventilation is inadequate, an approved respirator is advised.

Hygiene Measures

Handle in accordance with good industrial hygiene and safety practices. Take off contaminated

Chemical Stability	Stable under room temperature (10-15 C)
Possibility of Hazardous Reactions	None under normal processing
Hazardous Polymerization	Hazardous polymerization does not occur
Conditions to Avoid	Do not expose to extreme temperatures for long periods of time. Avoid direct sunlight for long periods. Close containers when not in use.
Incompatible Materials	None known
Hazardous Decomposition Products	None known

11. Toxicological Information

Routes of Exposure	Eye contact, skin contact and ingestion
Acute Toxicity	Not toxic
Sub-chronic / Chronic Toxicity	Data not available
12. Ecological Information	
Eco-toxicity, Persistence and Degradability and Bioaccumulation	This product is not expected to be dangerous to the environment with the respect to mobility, persistence and biodegradability, bio-accumulative potential, aquatic toxicity
Other Adverse Effects	None known

13.	Disposal Considerations			
Disposal Methods		This material as applied is not a hazardous waste.		
Contaminated Packaging		Dispose of contents/containers in accordance with local regulations.		
14.	Transportation Information			

Regulatory Information	UN Number	UN Proper Shipping Name	Transport Hazard	Packing Group	Label
49CFR/DOT	None	Not regulated	Not regulated	None	

49CFR/DOT None

Additional
Information**15. Regulatory Information**

WHMIS information	This material is not classified as hazardous under Canadian WHMIS regulations (Hazardous Products Regulations) (WHMIS 2015).
Canadian Environmental Protection Act (CEPA)	All ingredients listed appear on the Domestic Substances List (DSL).

information

16. Additional Information

The information supplied in the Safety Data Sheet is designed only as guidance for the safe use, storage and handling of the product. This information is correct to the best of our knowledge and belief at the date of publication; however no guarantee is made to its accuracy. The information relates only to the specific material designated and may not be valid for such material used in combination with any other material or in any other process. RPS Biologiques Inc assumes no responsibility for personal injury or property damage to vendees, users or third parties caused by the material. Such venders and users assume all risks associated with the use of the material.
